**INFORMATION
BROCHURE
FOR FOREIGN
STUDENTS
FOR THE
ADMISSION
YEAR 2024 - 26**

Rapid advancement in agribusiness has resulted in increased demand for qualified managers to manage this sector. The swiftly changing business and technological environment, pace of globalization and competition along with changing government policies are placing unparalleled demands on the capabilities of tomorrow's agribusiness managers. Meeting such industrial demands through the Post-Graduate Diploma in Management (Agri-Business Management) remains central to the founding philosophy of National Institute of Agricultural Extension Management (MANAGE). It is the vision of MANAGE PGDM (ABM) to have a profound impact on the way the world does business in agriculture.

Adjudged as one of the best B-Schools (Outlook Survey) in India, MANAGE endeavors to pursue developing dedicated agribusiness managers who can oversee the complex backward and forward linkages between different components of the agribusiness value chain. The focus is on ensuring that every enrolled individual utilizes the resources efficiently, profitably and synergistically to ultimately transform into a leader who can contribute substantially to the development of diverse activities in this sector, in the national and international corporate organizations.

ABOUT PGDM ABM

With little focus on development of managerial skills, in the undergraduate curriculum, our young agriculture graduates find it difficult to function effectively as managers in Agri-Business firms, which have emerged as their most important employers. Post Graduate Diploma in Management (Agri Business Management) is MANAGE's response to this situation. The programme aims at enabling, meritorious agricultural graduates acquire the critical competencies to function as effective Agri-business managers.

PROGRAMME STRUCTURE

PGDM (ABM) consists of seven trimesters spread over the entire 2 years' duration. The total credit load is 109 credits divided among core courses, electives and Summer Project.

ACCREDITATIONS

- Recognized by **All India Council for Technical Education (AICTE)**
- Accredited by **National Board of Accreditation (NBA)**
- Has Equivalency from **Association of Indian Universities (AIU)**

CAMPUS INFRASTRUCTURE

- 17 Hectares of Lush Green Campus
- AC lecture halls, equipped with latest A/V systems
- High Speed Internet Connectivity all over the Campus
- State of the art Cyberary
- Fully Equipped International Hostel
- Sports & Recreation Facilities
- Hygienic and Quality Food
- Health Centre
- Information Technology Support

STUDYING AT **MANAGE**

TEACHING METHODOLOGIES

The programme is built around 43 coordinated core courses, which provide a robust foundation in key management disciplines through collaborative learning, industry experiences and focused engagement with businesses. The learning process engages students in case studies, interactive lectures, team building activities, engrossing assignment, industry sponsored summer internships and live projects, making them competent in cross-disciplinary activities.

SUMMER INTERNSHIP AND LIVE PROJECT

The 4th trimester during the 1st year is summer internship, consisting of 8-10 weeks, is fully devoted to industrial exposure to various companies. Students get a chance to have a closer look at the functional agribusiness practices and applications. Besides, students are given an opportunity to gain corporate exposure based on their area of interest for a period of 4 weeks during october, a live project.

FACULTIES

The faculties teaching PGDM (ABM) are not merely teachers. They have the ability to inspire, challenge and bring out the best in students. The leading faculties include:

Dr. K. Anand Reddy: A leading faculty member in Economics, General Management, Human Resource Management and has exposure to teaching in London School of Economics.

Dr. Saravanan Raj: Specialized in the areas of ICTs for Agricultural Extension, Social Media, Extension Reforms, Public and Private Partnership in extension, Institutional pluralism and innovations, and related policy issues.

Dr. M. Srikanth has a total work experience of over 25 years in academics, Banking and Finance domains. Has a proven track record in Agricultural/Corporate Banking, Financial Management, Financial Inclusion, Project Finance and General Administration.

Dr. K. Krishna Reddy: Specialized in the areas of Agricultural Economics & Agricultural Technology Dissemination, Natural Resource Management, Climate Change & Adoption, Crop Insurance and Policy related issues.

Dr. Shalendra: Specialized in the areas of Agricultural Marketing and Policy covering training, Research and Consultancy.

In addition, MANAGE has highly specialized internal faculties to teach agri-specific business management subjects. MANAGE also invites eminent guest faculties from other reputed institutes in India like IIMs, IITs, XLRI, IBS etc.

Collaboration with Michigan State University

MANAGE entered into an MoU with Michigan State University for Faculty Exchange programme and Knowledge Sharing in Agricultural Extension.
